

Dorotheum GmbH & Co KG

INFORMATION

Pursuant to EU rules for the prevention of and the fight against money laundering (Directive 91/308/EEC as amended by Directive 2001/97/EC of the European Parliament and of the Council), we are under a statutory obligation to ask for an identity document when purchase prices of EUR 15,000.00 and above are paid in cash. Thank you for understanding that we have to require an official identity document from you in such case.

When submitting an absentee bid form stating that you wish to pay cash, please also send us a photocopy of your official photo ID card not later than 48 hours prior to the auction, and in particular also if you will not pay or collect the item(s) personally, for example if you want any item(s) with a starting price or lower estimated selling price of EUR 15,000.00 and above to be mailed to you C.O.D.

Please note: The statutory ID obligation does not apply to cash payments if a (first) installment was transferred from a bank account maintained in your name with a banking institution recognized by the EU and located within the European Union, or if the bid order was notarized or was submitted with a secure e-mail signature within the meaning of the (Austrian) "Signaturgesetz" (Electronic Signature Act).
